MANCHESTER'S

SIC TABLET.

If you have rudiments of music and
some practice exercises ^{in your new book}, perhaps you can
use this tune for unison practice if you
find some words to suit. or have
Bro. Hayland compose something - however you
will find some octaves in the harmony
also hidden octaves.

The little Hymn tune, if it ^{is} any good.
perhaps it will do to fill in
some place.

As to the poetry you sent me
somehow I can't get a melody that
has much in it - however I have
made an effort - If you do not like
it, please do not use it - likewise the
other tunes I send, - I will not be
at all offended if you do not use
any of these tunes,
